

ELECTRIC

HORSEPOWER

REH125

Resistance • Electrical • Heater

General Purpose

- ◆ Safe Flameless Heater
- ◆ General Purpose
- ◆ Eliminates Direct Fuel Cost
- ◆ Produces Clean Dry Air

Performance Features

- Output: 450,000 BTU - 750,000 BTU
- Volume: 4000 CFM - 5200 CFM
- Pressure: 1 PSI or 27.71 Inches of WC
- Variable Operating Modes
- Electrical Area Classification: General Purpose
- Power Supply: 480V – 600V | 100 or 150 Amps
- Heating Load @ 480V: 102KW @ 150 Amps | 65KW @ 100 Amps
- Heating Load @ 600V: 125KW @ 150 Amps | 84KW @ 100 Amps
- Noise Level: Under 85 DBA
- Ducting Size: 16" Ducting - Splitters Available
- Transport: Skid Mounted, Forklift Pocket, Top Lifting Eyes
- Air Quality: 100% Flameless Breathable Hot Dry Air
- Maintenance Free
- Dimensions: W48" x H64" x L96"
- Weight: 2315 lbs. /1053 kg

APPLICATIONS

O & G • CONSTRUCTION • FACILITIES • PIPELINES • TANKS • BOILERS • EQUIPMENT • WELL HEADS
GROUND THAW • DEHUMIDIFICATION • GRAIN DRYING • CONCRETE CURING
